Hi Joanne,

Good to hear from you. I had a great vacation and am feeling refreshed.  
But that will probably disappear by the end of this week! :)

Here is my availability for some more webinars. I would really prefer to limit them to one webinar per day. I understand that the participants have different schedules, but if it is in the morning on a Thursday and afternoon on Friday (or the other way around), people should be able to find one that works for them - especially if you send out six possible days. I am happy to put in the time to do these seminars but I have to balance it with all of the other things that I have to do (answer questions, develop more guidance, update our web site, etc.) Until we get close to the maximum number of people per seminar, one webinar for each of these six days seems like a reasonable approach.

Thursday 7/21: I am available at 9:30 am Eastern but not for the afternoon slot Friday 7/22: I am not available for the morning slot but am available at 3:30 Eastern

Thursday 8/4: Open all day  
Friday 8/5: Open all day

Thursday 8/11: Open all day  
Friday 8/12: Available until about 2:00 Eastern

Let me know the schedule once you finalize it and I'll get those times blocked off. Thanks@

Subject: More Webinar's

Hi Nancy,  
I hope you had a great vacation and are feeling refreshed!  
I know you're traveling this week for business but I wanted to touch base with you and see if we can get some dates set up for end of this month and early August for some more Webinar's.

Here are the dates/times I'm thinking for end of July according to your last e-mail:

Thur, 7/21 at 830 a.m. (930 eastern) and 1:30 p.m. (230 eastern) Fri. 7/22 at 10:30 a.m. (1130 eastern) and 2:30 (3:30 central) Or if 21st and 22nd are too soon, we could push it out one more week to July 28th and 29th.

I would be looking at approx. the same times on Thurs, August 4th and Fri, 5th and/or Thur, August 11th and Fri, 12th.

Thanks so much for letting me know and I look forward to hearing from you soon!
